### Evaluation of Student Performance
The instructor will provide in-class reviews of work in progress. We will have DAILY pin-ups of the FINAL work due each class. You are encouraged to discuss your work with others, keeping in mind that you are responsible for your product.

### Grading Scale
The instructor will use her best professional judgment in evaluating each student’s level of engagement, productivity and innovation in design through assignments and projects.

A-F(+/- may be considered)

**GRADING SCALE**
“A” High level of engagement, productivity and innovation in design.
“B” Adequate level of engagement, productivity and innovation in design.
“C” Marginal though passable level of engagement and productivity.
“D” Submittals are not complete and/or nearly without redeeming qualities.
“F” Student is actively disengaged from the course.

• All work must be completed to receive a grade for the course.
• Every student must complete a digital portfolio of all visual and written work completes for the course. The digital portfolio must be complete and submitted to the instructor to receive a grade for the course. The digital portfolio is required for all programs of Landscape Architecture Accreditation Board (LAAB) for the American Society of Landscape Architects (ASLA).

### Need for Assistance
If you have any condition, such as a physical or learning disability, which will make it difficult for you to carry out the work as I have outlined it, or which will require academic accommodations, please notify me as soon as possible. For more information please refer to [http://rds.colostate.edu/home.aspx](http://rds.colostate.edu/home.aspx).

### Policy Regarding Academic Honesty/Dishonesty
**Honor Pledge**
This course will adhere to the Academic Integrity Policy of the Colorado State University General Catalog and the Student Conduct Code. ALL graded activities of the course will comply.
• I pledge on my honor that I will not receive or give any unauthorized assistance in this course and endeavor toward meaningful social and environmental responsibility.
